TRAINING ENABLES YOU TO DO MORE - AND SPEND LESS

BlackBerry Course Descriptions

Level 1: Efficiencies

Become more productive with your BlackBerry

60-90 minutes

Learn all the best practices and shortcuts that allow BlackBerry experts to be so productive. We will also answer all your BlackBerry questions and provide course handouts that will help you turn curriculum into practice.

Level 2: Do More, Spend Less

Get the most out of your BlackBerry

60-90 minutes

Do More – You will learn to use the applications and services that do not cost anything but add tremendous value. Spend Less – You will learn how roaming charges, long distance fees and data plans work as well as tips & tricks to lower your monthly bills.

Level 3: BlackBerry Expert

Gain a competitive advantage with your BlackBerry

60-90 minutes

You will learn industry specific applications to ensure your business has the competitive edge. We offer custom courseware catered to law firms, real estate agencies, accounting firms, financial institutions, medical professionals and outbound sales organizations.

Contact us for complete details on our additional BlackBerry and Smartphone training options.
